The Premises:

Discreet apartment, walls decorated with many pictures of her family. Safe environment.

The Lady:

Dressed in her normal clothes just like she just returned from the office, about 5'6", short brown hair, good figure, nice breasts, size C, about 50 years.

The Story:

This FR replaces FR17769. After submission of the FR, I was contacted on the phone by Judy and later by Morgan. The contacts were discrete although both ladies were angry because I hadn't contacted them before submission of the FR. As a result of these calls I asked Galahad to remove the FR.

There was nothing in the original FR that was not factually correct but I admit the general tone was harsh. My FR should not have been critical just because Morgan did not meet my personal tastes or fantasies. If you are looking for an energetic lady who will greet you in sexy attire and escort you to her exotic chamber for a wild hour of sex then Morgan is probably not the lady for you. I do believe her, however, when she tells me she has a regular following of satisfied clients.

After talking to Morgan I am certain that the particular complaint referred to in the original FR will not re-occur.

I strongly advise anyone before they submit a negative report on one of Judy's ladies, they discuss it with her first. Judy is keen to provide a quality service and happy to address any complaint. I look forward to doing business with her again.
