The Premises:

Honeyz is well-established in Dames Road. Plenty of parking nearby sideroads. Clean house, usually two girls working.

The Lady:

Lisa is a tall black girl, about 30, with a French Caribbean accent. Nice face, quite slim with fantastic legs and arse.

The Story:

Great experience. I love black girls and I've have super sex with both Naomi and Monique at this establishment but Lisa is the best of the three. Very welcoming, pleasant personality. She gives a wicked OWO, enjoys reverse to the point where you wonder who should be paying who! and went five minutes over time with the sex. Left walking on air.
