Morgan is about 5'6", brunette, slim, with lovely legs, a great bum and a nice personality.

The Story:

I arrived at Sandy's to discover that the lady I had intended to visit, Antonia (the boots were the attraction!), was late arriving and already had one customer waiting. Hmm, things were looking down, especially since I'd travelled over from W. Yorks. Anyway, I decided to see Morgan... well, my lucky day or what!

After a short, teasing, massage it was onto the action. I won't go into details but will just say that this girl gets my vote. I'll certainly be visiting her again in the near future.
