The Premises:

in a flat near Lancaster Gate Tube station. Flat very clean and felt safe.

The Lady:

blonde hair, swedish, tall, nice smile, gentle wow!! Early 20s. Very friendly. her fresh face remind me if some Swedish actress. She also remind me of the main actress in Bridget Jones Diaries movies.

The Story:

Everything was on the menu except A levels. Spent a lot of time french kissing, cuddling, reverse oral without. One of the best time, I had so far. The girl is a gem. She complimented on my eyes and my stamina which was nice. She made just the right amount of noise.

I am a lover of blondes and this one let me have a fantastic time.

At the end we chatted for 10 minutes.

She will stay in my mind for along time after I return to California. I am alreday planning my next trop to London. Thanks Nicole.
