The Premises:

My place.

The Lady:

5'7" , shoulder length brunette hair , hazel eyes , partly shaven. 24 years old and most attractive .Size 8 - 10 (34-24-36).No tattoos/no piercings.Pretty near perfect!!

The Story:

Met the lady in a non working situation and my hopeless chat-up line revealed she was in fact available. So back to my place. A real find in a city full of girls,articulate,intelligent and new to the business.Told her about punternet and she said an fr was okay.

This lady does all the usual stuff and is happy to accomodate couples,be a dom.,says she can also roleplay (new to the business??)and quite likes girls as well as guys.

She would be great as a dinner date and enjoys sex very noisily.
