The Premises:

Terraced house in cul-de-sac. Plenty of on street parking. House was clean and tidy and there was no real problem with the location.

The Lady:

Nadia is a truly beautiful young lady. She is in her early 20's with long brown hair and a slim physique. She is shaven and her breasts, although not large, are all in proportion. Lovely long legs and a great smile.

The Story:

Was warmly greeted and after we had sorted out the business arrangements, the fun began. She enjoys role play and has a good wardrobe. Had a nice massage before moving slowly on to the main event. She is tender and very responsive, does not clock watch and is much more like a GFE. I can only suggest that you check this lady out, she is well worth it!
