The Story:

After writing the review of Anna I got a painfu hard on, I fancied a bit kinky stuff. I phoned the agency and asked for an A-level girl, they told me Siniya was my girl. I booked her 4 2hours. She arrived on time and we moved to the bedroom. She seemed rather shy so I took control. I asked her to face the wall and put her hands against the wall then I frisked her miami vice style! and I started grinding my dick against her arse thru my jeans. I asked her if she wanted to suck my nick, she noded yes and got on her knees and gave me a very nice blow job (not as good as Annas) but nice and strong.

We stripped naked and got on the bed and put the rubber on, I thrust my dick into her and she was already wet and tight, then I asked her to stand against the wall with her back to me and I fucked her, just like the movies!!

I was feeling more and more kinky so I asked her if she wanted me to fuck her anywhere else and she looked at me and just spread her ass cheeks and stuck her little finger in her ass and I thought my dick was going to explode from all the excess blood pressure!

She lubed the condom and I entered her tiny butt hole, it was the tightest arse I've ever had, as I was half way in she started to rock back and forth, each time taking me in deeper. Then she lifted one leg and i couldn't take it anymore I came , and with each shot she let out a yelp.

She stayed another hour and I fucked her arse twice more. She's not the best looking, but she's the best A-level I've had in a long time.

As arnie says "I'll be back"!
