### The Premises:

Victoria House appears to the casual and innocent eye to be an upmarket professional proper massage establishment with the girls' diplomas displayed on the wall in the reception area and no sign of what lies within. The receptionist was friendly and business like and offered a hot or cold drink whilst taking my ?12 room fee from me.

She sent me up the stairs to wait in room 3 which contains a massage table, day bed, and lots of mirrors. I sat on the bed and sipped my drink while waiting for Natalie to arrive.

### The Lady:

Natalie entered in a white tunic and after enquiring what I wanted was keen to watch me strip off and directed me to lie face down on the table. She is very attractive with a lovely dark tanned body and a perfect slim page three body.

### The Story:

She applied some talc and got to work paying extra attention to all the nooks and crannies between my legs, on the one hand very relaxing and on the other tantalising!

When I turned over she ripped apart her tunic to reveal her lovely red underwear and slowly removed her bra to reveal her perfect breasts, and her panties to reveal one of the most perfect bums I've ever seen. She put her boobs to good use, enveloping my cock between them and rubbing me keenly with them. I looked in the mirror to my left and she immediately looked me right in the eye and smiled provocatively. She invited me to follow her to the day bed and laid me on my back. As she did this she suddenly announced that she'd forgotten something - "no, not another girl!" - and started putting her tunic back on. Off she went, returning in a few minutes with a bag from which she produced a dildo! Off came all her clothes apart from her stockings and suspenders and she gave me a show of her completely shaved pussy, slowly fucking herself with the curved plastic phallus, before turning round and repeating the process with her rear right in my face before slowly lowering herself onto my cock.

Then to doggy, and after a few minutes she shouted "come on fuck me!" and seemed to be enjoying my staying power. It all came to an end alas and she commended me on my performance as I got dressed, and showed me to the door. Natalie has a knack of catching your eye and keeping eye contact in an unblinking embrace of passion while she deftly takes you to heaven with the rest

of her body. Wonderful !!
