The Lady:

Eve came in to room 1 in a happy mood having had a laugh with the other girls and struck me as very attractive, friendly and chatty. We agreed on the service level required and after watching me strip she asked me to lay on the massage table.

The Story:

After working on my back with a very professional touch and some deft bum cleft work she turned me over and stripped to her underwear. She has a very fit athletic build which suits my preferences perfectly.

We talked about her previous reports and she told me almost anything was possible if I could afford it! Off came the rest of her bra and on with the condom for some expert sucking.

"Follow me" she said and led me to the door, bringing with her a chair which she sat me on right next to the door opening. She knelt down and pulled the door to the guest relaxation room ajar so that anyone waiting could just see her taking my cock deep into her throat, saying "Shall I bite it?" Then, she pulled me to my feet and put one leg up on the chair whilst directing me into her from behind. The door still ajar, she said "make me scream!" and I pumped away noticing that one of the reception staff had come in to the relaxation room and had her back to me. At any moment she would turn around and see us but I didn't care.

Eve had taken me into her fantasyland and could have suggested almost anything for me to have obeyed. Next time I want to delve further into Eve's sensuous mind and see what other surprises she has in store. She is absolutely the best girl I have seen anywhere, and she knows it! She also does a two girl with Natalie which I'm saving up for and will report back to you all. Superb !!!
