The Premises:

Totally clean. Totally safe. Nice area, discreet entrance in a row of shops.

The Lady:

As described on web site. Really fit body but, apart from the eyes, which are quick and flirty; the face is a bit weathered and not "pretty". "Striking" would be a better epithet.

The Story:

A first class, enthusiastic service but always gave the impression of a routine. Oral with, then doggy then mish. Superb HJ to rejuvenate an ailing erection then finished in mish. Couldn't have been more professional, but just didn't click somehow. I am quite prepared to admit that this is probably entirely my problem.
