Details of Service Provider:

Website: <http://www.londondutch-connection.com>

The Premises:

Clean and safe, within a large block of private flats

The Lady:

Blonde, yes by bleach or dye, age 29? probably mid 30's, nothing to hold onto, just skin and bone!

Nothing like the photo on the website, the owner (I would say runs <http://www.velvetinternational.com>) which I have read a previous FR where the punter said she wasn't the girl in the photo.

From Belgium, well I think she may have come through Belgium while getting here, from Latvia.

Wouldn't touch the agency again.

The Story:

Started with massage, then into 69 to finish no condom, she should really take a shower more often (smell)!

At this stage she was keen on me taking a shower and going, 15mins (no thank you) so I continued with sex and kissing, all standard.
