The Premises:

Debbies place, basement flat, safe area, Debbs has been decorating the flat, the bedroom is now brighter with more mirror tiles on the wall, with main (waiting room still to do) ? some sad people have been complaining about the state of the place, - I prefer to look at the ladies, not the walls.

The Lady:

Debbie, described before many time, mid 30?s acts and looks younger.

The Story:

Phoned to see if they could fit me in, agreed 7.00 ? 7.15pm, Debbs running late as usual (that girl does not like to rush). As usually had a lager, sat watching football on the telly with another well known regular and the friendly maid. Got to see Debbs, as usually she very sexily removed my clothes, whilst I removed hers with lots of fondling of each others important bits. Lots of fun, moved to the shower always nice to see a nice body covered in soap suds. Moved back to bedroom, nice sensuous massage with oil sprayed from new oil dispenser (posh or what). Turned over and attention moved to my nipples, whilst fiddling with the other important part. Some nice oral (covered as always) stopping frequently for some nice conversation, we moved on with Debbie on top before eventually finishing in missionary position. Nice time as always, no rush and I enjoyed myself and I think Debbie enjoyed the fun as well (but I know she is a good actress ? I?ve seen in her nurses uniform in the past). No rush to leave, had another drink whilst chatting with Debbie.
