### The Story:

I've been seeing Chen regularly for a year now - that sums up my opinion of her. Pity you can't see her face on her website, because she's a real Oriental beauty - stunning almond-shaped eyes and a lovely smile ?; at least you can see her body (though I concur with FR 16329, she's even better than her pictures)?

I 110% agree with the previous 4 FRs: they accurately describe Chen and her delightful ways & style. On the job, she's elegant, very sweet, and extremely sexy. I won't get into graphic details (see previous reviews), but yes, she is very versatile, and enjoys what she's doing (and yes, her BBBJs are the most deep-throat I've ever had).

She is very intelligent, with a cultivated conversation and a nice sense of humour ? I've also taken her out to dinner, and I can assure she's very charming company for a whole evening (I wish I cd afford the weekend?). Most of all, she is a real lady and should be treated as such.
