The Premises:

She came to my place.

The Lady:

Tall, leggy, great shape... she has huge tits, they are enhanced, but appear and feel lovely and natural. Long red hair, large brown eyes, very attractive. A killer in every sense of the word.

The Story:

Sandra arrived and planted an enthusiastic kiss on my mouth when she walked in the door, proceeded to remove her clothes.... my jaw nearly hit the floor. Killer body, same personality. A beach babe from California who gave me the most amazing owo, almost exploded in her mouth, flipped her over entered, and finished off on the small of her back, while she grinned wickedly at me over her shoulder.
