The Story:

Debbs is such friendly and witty company that I spent long parts of the evening just enjoying her company. It was only when she suggested that she was off to bed that my wicked desires set in. Fortunately, she was gracious enough to oblige. After the evening I'd had, I surprised myself, and her as well, I think. But if anyone can arouse you and keep you aroused, it's Debbie. The sex was as fantastic as it ever is with her and I loved every minute of it. Afterwards we chatted for quite some time before I dragged myself away. This was a very special encounter with a very special woman whom I love and admire very much.
