The Premises:

Reasonably well appointed an large parlour on main road out of Leicester. 4 girls were working when I visited. Good waiting room, showers, Jacuzzi, Sauna, drinks offered etc... Made to feel very welcome. Massage room had big wall mirrors etc..

The Lady:

I'd say Stacey is in her late 20's, maybe 30 but hard to be sure. 5' 6 ish with long chestnut? silky hair. Slimish (size 12?) but with some nice curves. Her skin is silky soft. She has a pretty face and obviously takes care of her appearance.

The Story:

I had a couple of hours to kill and fancied a quickie. I decided to visit Leicester where I know I can always get some good VFM at Ladybirds. I was attracted by Stacey's smile when I entered the parlour and immediately chose her.

After a shower I went to her room and she gave me a really good and satisfying massage. She clearly knows how to do this properly. As she massaged my front I lightly stroked her lovely bum for a moment. When I stopped she said it was fine to touch her and I resumed, clearly to her delight. We discussed other services, and having agreed, she asked me if I would like to take off her dress. The dress was tied behind her back and as I undid it it fell to reveal two lovely natural breasts and nothing else beneath except a skimpy white thong. Mmmmm she looked and felt great.

First I gave her oral and she tasted great. A nice pussy with some natural trimmed hair, which I quite like for a change. (Everyone seems shaven nowadays). She responded very positively and obviously didn't want me to stop until she had come. She did this rather quietly, but there's no missing the genuine thing. She then went on to give me O although I think her legs were a bit wobbly; another sign that I had done my bit well!

After some very nice O, I moved to enter her with me on top. The sex was great and she looked me straight in the eye as we made love. I really like it when girls do that and I had a great orgasm. Apart from the great sex, I had a great massage and great conversation. I really liked Stacey and will try to see her again.
