### The Premises:

Sandys Superstars is an excellent, clean and well respected establishment on a busy main road in the Prestwich/Whitefield area of Manchester. There is good parking around and it is very safe.

### The Lady:

Patreece is a very attractive woman in her mid 30's with a great personality and a lovely smile and a great body which lots of girls in their 20's would be proud of. She is articulate and very well spoken and puts you at ease as soon as she walks in the room.

### The Story:

For those of you out there who love to be pampered and kissed and experience a wonderful time with a lovely experienced girl then you need look no further. Patreece entered the room dressed in a lovely short negligee and gave me a great massage (not only with her fingers but with her tongue) and she hit all the right places (you will need to experience her yourself to see what I mean!!!!) Then she gave me a fantastic and very enthusiastic bbbj which was too much for any man to take on a Friday afternoon, so I exploded my load which she took in her mouth. Wow!!

After cuddling and kissing for 5 to 10 minutes we were at it again and the mish was great and I felt like I was having sex with a girlfriend who fancied me like crazy. She was unbelievable and seemed to love every minute which I hope she did. She said she would like to take me home with, her which was a nice touch!

All-in-all a great time was had and like many of the girls at Sandys, Patreece is a star! Why she is not Superstar rated I don't know. I am sure she will be soon!

By the way the photos on the site do not do her justice! She is much better in the flesh believe me.
