The Premises:

Debbie?s has been described in a number of FR?s, and the descriptions are pretty accurate. Though the room and the waiting area is down a flight of stairs. The place is nicely done with up carpets and lights and is watched over by a very friendly maid.

The Lady:

English with Brunette hair around mid 30?s. See previous reports on Debbie or the website which has pictures for more details.

The Story:

I had bee meaning to visit Debbie?s for a while now and the place is just so busy (I can see why!). The place is slightly isolated being in Anerley but this does not keep anyone away! I was originally booked in for an appointment for 17:40 and arrived on time, but true to Debbie?. The place just does not rush you if you are being seen. I spend a near hour with the maid, just engaging in small talk and is very, very friendly. And during this time the phone was ringing constantly with everyone trying to get an appointment. Upon seeing Debbie, I was greeted with a kiss (always a nice start) and I went for the option of a fantasy role-play with Debbs dressing up as a sexy secretary. True to her word, I had a fantastic time and the Debbs is very eager to please. I will definitely be back.
