The Premises:

The area was full of arabs + restaurants the place is in Star St., i felt safe because the streetlife was colourful and busy. I decided to have a coffee in Starbucks just to calm me down. i pressed the bell and let myself in, walked up to the 1st floor and was let in by the maid - she was chatty and pleasant, she offered me a coffee straight away, which made me feel at home. I noticed the room was tastefully decorated and very very clean - in fact spotless - as i have been to the ones in Soho and they're the pits!

The Lady:

She said her name was Sofia - drop dead gorgeous, about 23 years old -full figured and stunning, like a catwalk model but built perfectly, 6 foot tall and spoke with a Russian accent. lovely pouting lips is all i could think of when she spoke to me.

The Story:

I agreed to pay 150 pounds for sex/french/massage/different positions and lap-top dancing. She showed me into a large bedroom, then she took her clothes off while doing sexy movements, she massaged my body like a professional, i felt relaxed straight away as i was a bit nervous. Her oral abilities were great as she had soft full brown lips - her sucking action i could feel through the condom, like she was trying to suck my kidneys out - god what a feeling! sex was in various positions, no complaints there, she was like a wild animal on heat. When i finished i felt Knackered but very happy.i gave her an extra 20 pounds as i wanted her to remember me next time.
