### The Story:

I have reported on Debbie before but feel justified in reporting again as this punt turned out to be the most memorable of my life so far.

Debbie is a good conversationalist and I spent a lot of the evening chatting to Debbie along with other male admirers. Debbie parlour is local to me and I can see her fairly easily. For this reason Debbie unselfishly kept suggesting other girls I might like to spend some quality time with. At least I hope she was being unselfish and it wasn't that I repulse her so much she didn't want to go with me again. Rightly as it turned out I decided to stick to the tried and tested Debbie and asked her if she would mind coming to my room, which she readily agreed to do.

Sex with Debbie was as normal fantastic. Debbie dealt with the fact that I had consumed 7 pints of beer and the resulting problems that that caused in her normal professional way and insisted that I cum before she would return downstairs.

Now believe it or not the sex was not the memorable part as good as it was. Debbie enjoys her work and has a great sense of fun. Debbie suggested (insisted) that we streak back to her room to get dressed, which fortunately was opposite mine. This I obediently did fortunately remembering my key card before I left. I had achieved my first streak at the age of 57.

Thanks Debbie for a memorable punt.
