The Premises:

Very nice place; secure yet easy to access without embarrassment

The Lady:

Emiko is a lovely Japanese girl. Other services may advertise their girls to be Japanese, but generally they are not (and I should know -- I've tried lots). I spent 6 yrs in Japan speak passable Japanese so I can definitely tell you -- Emiko is the genuine article.

The Story:

Emi-chan possesses the classic Japanese esthetic of entertaining and pleasing a man. Her movements are silken and subtle -- nothing crude or direct, and yet powerfully erotic; you have to have some experience and sophistication to appreciate this -- just let yourself relax and be guided by her -- you will not be disappointed. Yes, it's more expensive than the Thai and Malaysian girls and all the quikie services, but frankly worth it. Treat her with respect, guys, she's a rare gem.
