The Premises:

On the quiet part of Annerley road, easily accessible, near the train station. There is a back door as well if you wish to use it. Her place was nice and tidy, room was very clean and nice size. The maid made me feel very welcome and chatted all the way and offered drinks. When I went the second time she remembered my name which made me feel really good.

The Lady:

Debbie has gorgeous green eyes and a beautiful, shapely body. She has nice large breasts and a curvy body. She was wearing a black velvet dress which didn't stay on too long. She chats and makes you feel at home all the time.

The Story:

This was my second visit to Debbie so I knew what I wanted. Debbie and I undressed each other and kissed while undressing. She has beautiful soft lips and offers her lips and body to you very generously. She then led me to the shower where we washed each other and kissed. She dried my body and kissed me softly while doing it. She offers her gorgeous body and will do anything to please her clients. You can tell she enjoys making them happy. She gave me a nice massage and then I enjoyed licking her while she was sucking me. She then climbed on top of me and pulled me on top of her to finish. Debbie is a dream lady and I enjoyed every second of my visit.
