The Premises:

Situated in a nice block of private flats, very safe, fine for parking if required (I got the tube 8min walk from Hounslow Central)

Clean and tidy flat

The Lady:

Young 20ish German girl (better English than me I'm English!) As per web site description, with very nice petit breasts, blonde hair, nice and slim (athletic slim and sexy), shaved down below.

The Story:

Arrived early for the appointment, made at home offered a drink and asked to remove my clothes after handing my gift over.

A bit of a chat then a nice relaxing massage, with her teasing my cock with her tongue.

She then got down to kissing my body all over, and licking my balls 69 style here she got me too hot and I came!

We then carried kissing each others body, small amount of mouth to mouth and no problem in fingering her. Carried with sex with her on top, very passionate and sexy. Not rushed at all.

Great GFE, will be back.
