### The Lady:

Second time we have met Marianne. She is a VERY sexy lady, arrived well dressed and presented. Photographs on the website do her true justice. Her tatoo is very sexy !

### The Story:

Marianne is a "model category" lady. If you are a couple then this is the lady for you. She knows exactly how to handle another woman. She has the knack of knowing where the emphasis should be and this was covered very smoothly in a brief conversation prior to progressing. We had seen her before and the second time was even better. My partner said her BBBJ is 100% fantastic and I learned a few tips on the way ! The only downer is that she can talk the hind leg off a donkey !! From another woman - Recommended !!! Will for sure see her again....
