### The Premises:

Top floor flat in nice area of Mayfair. Felt very safe. Lucie's bedroom included en suite bathroom - very convenient.

### The Lady:

The photographs on her website do not do justice to how she looks in the "flesh". She has pale blue eyes and a bright smile, and her tall, slim body is now nicely tanned. Large, natural breasts. She cuts her blonde hair fashionably short and is clean and well-dressed.

### The Story:

I won't go into details about my own personal performance, but Lucie was great. After cumming twice - she's sexpert with her hands and mouth - I could hardly walk. And she's good company too. Go see her!
