The Premises:

Since my last visit, the bedroom has undergone a complete transformation, rather more tasteful, it must be said, than one sees on those dreadful 'makeover' shows on TV.

Debbie proudly told me that she had personally put up the mirror tiles which now adorn one wall and we had a few laughs at our 'distorted' images, as good as any Hall of Mirrors at an old-fashioned fairground!

The Lady:

Debbie has previously been well-described by myself and others. Sparkling eyes, a mischievous smile and a beautiful cuddly body just made for pleasure. I suspect she has lost a couple of pounds since last we met.

The Story:

As before, a sexy shared shower, followed by an hour of erotic fun in the bedroom.

The wonderful thing about Debbie is that the more times you see her, the more ways she finds to turn you on. She gives a great BJ [covered] and, if you will let her, will use her tongue to find erogenous zones you never knew you had!

Before I left, Debbie gave me a sneak preview of Ace Massage's new website which should be up and running before too long.
