### The Story:

Tanya arrived at my hotel in a sexy little black dress showing lots of cleavage. She speaks very good english and after a glass of wine she was more relaxed. We chatted and she even laughed at my dirty joke!

We moved to the bedroom and she excused herself to the bathroom and I got undressed and waited for her. She came back a minute later wearing sexy black thongs and high heels. She has lovely pert breasts, and a nice juicy arse, I got a hard on looking at her. She lay ontop of me and started kissing me passionately, with tongues. I squeezed her arse as I kissed her and then she proceeded to give me a lovely uncovered blowjob, with nice long hard sucking actions. After about 10 mins of this I came in her mouth, and she carried on sucking as I exploded.

We had some more wine and after 10mins rest on to round 2. This time I wanted to get my stiff one in her tight juicy arse, so on with the condom and she squatted her arse over my cock and slowly took it all in, she was very tight and her words were "the deeper the better", she claimed my cock was touching her g-spot!! I nearly came again!. As I watched her ride my cock with her arsehole I knew I was reaching climax so I stopped her and turned her over on all fours and slid my cock in her very tight bum doggy style. It felt so rude and damn good and I fucked her as hard as I could but, she kept on rammin her arse against my dick trying to take it deeper and I couldn't hold out any longer and I shot my load inside her. She told me I nearly made her come fucking her arse, because I was teasing her g-spot!

I paid her for another hour and came twice more, on in mish position and finally her riding me cowboy style with one of my finger in her arse and her sucking my tongue. She is the dirty minded girlfriend I've always longed for.
