The Premises:

We met in a daily rented serviced deluxe studio apartment which proved to be the perfect venue for a discrete liaison. My only complaint was that if there was a lift I didn't find it, so I was out of breath by the time I reached Cherry's door, a state I was to remain in for quite some time but for other reasons.

The Lady:

Cherry's pictures on her website are a pretty good indication except that they do not really do justice to her wonderfully pert (enhanced) breasts with those so suckable nipples or her peachy bum.

The Story:

What can I say, on the strength of a brief encounter at one of Lauren's parties I made a three hour booking with Cherry, which I extended for another hour because we were having so much fun. Even then we ran over time and I ended up catching almost the last train home.

Cherry is well educated and has a great sense of humour and would be the ideal companion for dinner on a longer date.

Cherry likes to take her time and will explore your body as well as your mind before taking you to the very heights of pleasure. As for pleasing Cherry you will be well rewarded for giving close oral attention especially to her nipples.

Cherry, you already know how much I enjoyed our time together and I hope to see you again before too long. Rest assured I will definitely bring another bottle of champagne as that was a really cute trick.
