The Premises:

Bottom floor of a run down council block 5 mins from the town centre. Doorbell not working. The room itself was awful. Cramped with a bunkbed in the corner and a practically bare mattress apart from a single thin sheet. Off to a terrible start.

The Lady:

Early 30's. Average height. Quiet pretty with a tan. She had a wonderful body. Lovely nipples with a shaved pussy. Firm in all the right places, soft in all the right places.

The Story:

After being horrified by the surroundings the whole experience was redeemed by a tremendous experience with Anna. She offered OWO for an extra ?20 (?60 standard) and its worth it. She was talkative without ruining the mood. She is pretty and very sexy. Just goes to show you dont have to pay over the odds for a good experience.
