The Lady:

Absolutely stunning! I had arranged to take Tara to a wine function with me. She wore a long black evening dress (as agreed) with a split up the side that almost reached her thigh, very sexy indeed.

The Story:

As Tara stated in her profile she is the life and soul of the party. We had a wonderful evening together and she was very liked by all the guests and got on very well with them despite never meeting them before. Afterwards we went back to my hotel where we were in bed in a matter of seconds. Tara is very sexy indeed and we had sex in various positions but I have to say the way she performs oral is out of this world. The only drawback was letting her go in the morning. But I sure will be back for more.
