The Premises:

Clean discreet side road off Edgware road, felt safe as it was off a crowded street.

The Lady:

Gorgeous mousey-brown/blonde about 22-23 years old , said she was from Moscow. Very pretty, very friendly - could easily pass off as a model.

The Story:

She took me into a large bedroom, she had a pink gown on, black see through bra & black hold-ups, very shapely legs. Nicoletta gave me a short message - then put the condom on & gave me very good oral i had to hold onto the side of the bed as i was in an awkward position., that didnt detract from the bobbing up & down of her head, i pulled her hair over so i could see her action - so to speak. We had sex in one or two positions & i finished within time - but never hurried. I enjoyed the romp & will be back for another foray. Definately worth considering as i had such a good time with her. Highly recommended.
