### The Story:

Went hoping to see Lucy - my archetypal busty blonde. She was busy, bad time of night. Choice of two and Mia looked like young sexy secretary type. Flat chested brunette not my usual choice, but needs must. She gave a decent bbbj and a bit of kissing - more than enough to raise the old flagpole! She seemed to enjoy a hard cock inside her but some are good actresses?! Anyway, tried a few positions, during which she made all the right noises. I was going to ask her to put her glasses back on so I could indulge my sexy secretary fantasy when I reached the point of no return. Enjoyable if this is your type, but my mind was soon wandering back to busty blondes!
