The Premises:

Very discreet location near Maidenhead centre in a safe residential area with parking. Comfortable apartment, very clean throughout.

The Lady:

Sacha is gorgeous. She looks and dresses like the sort of beautiful "woman next door" that you see in the Supermarket and would just love to shag- this girl does not look or sound even a little bit like a stereotype 'hooker'-so if you want plastic boobs and tons of red lipstick-don't read on !

The Story:

I rang the bell and was welcomed by a drop dead gorgeous blonde in her early thirties wearing a simple but beautiful black dress.

After a quick welcoming drink, Sacha invited me to the bedroom where she got undressed and showed off her delicious 34" C cup breasts with inviting ample nipples which are, I found out later, very sensitive.

We started with a massage followed by a long session of OWO and this lady knows how to "O" - It is clear that the girl is naturally highly sexed and enjoys her work.

Next, I tasted her delights via reverse oral which she adores, we then ended up with a combination of mish, her on top and finally doggy until I could not take anymore and exploded inside her.

Sacha was affectionate, attentive and sensual throughout my whole hour. She is a classy lady and neither tried to rush me nor pull the old stunt of keeping me taking for the best part of the hour in the lounge.

When I combine her looks, personality and sexual prowess - I can honestly say that she is the best punt I have ever had. It was close to one of the Boyfriend/Girlfriend experiences that are seldom found (by me anyway)

She told me she also does "doubles" with another girl called Caroline based in Maidenhead (never tried her myself) but I am really tempted to save up and give that a try some time too . But first, i will try seeing Sacha a few more times by myself. Treat her like a lady chaps and i am sure you will have a good time.
