### The Story:

Thought I'd try [www.perfectpetals-escorts.co.uk](http://www.perfectpetals-escorts.co.uk). Aneta looked good on the site and I recognised a couple of girls, so assumed the pictures were OK.

However I was still suspicious as too many of the pictures are of very attractive girls, so went prepared to walk away if it was not the girl on the web.

Well it was nothing like Aneta - it was a girl I'd seen on Scandal or Creme site at ?150 ages ago and hadn't fancied then. I certainly wasn't going to pay ?200 quid for her now. I took one look told her she wasn't the girl on the web and walked out.

So if you want to be treated like a mug use [www.perfectpetals-escorts.co.uk](http://www.perfectpetals-escorts.co.uk).
