The Premises:

made an appointment for 6p.m. was there 10 minutes early, had to wait in the lounge - was given a brewed coffee & some biscuits while i waited. Maid was very friendly, she asked where i was born & what time she told me she believes in the stars so she gave me an accurate description of what i'm like & how i like my sex. Nina finished about this time & the maid whispered something to her.

The Lady:

Nina - a new girl, she looked about 22 - 24 years. I asked her where she was from, she told me `India` in a soft voice, she was about 5`3 and very horny as i love a good Indian - very spicy HAhA!

The Story:

We went into the bedroom, she gave me a slow sensual massage, rubbing her body close to mine using her boobs etc. She then put on a condom on my erect member & gave me an expert b.j. followed by sex in diff. positions. A good shag if i may say so, especially from an Indian girl as there arent many around - not this pretty anyway. Definately worth a return visit, maybe i will be more adventurous next time & ask for a few extras like a sensual two way bath. HmMMM definately a spicy dish!!!
