The Premises:

Clean & tidy, area was fine, felt happy to leave the car in the nearby car park.

The Lady:

Very pretty lady, as has been mentioned before the pictures on her web site are really quite poor compared to how she looks in real life. Changed her hair now to a light perm, very fresh faced, lovely boobs, much nicer figure than on her site.

The Story:

I'd have to confess to being very nervous when I arrived at her flat, but she welcomed me inside like an old friend, and gave me a glass of champagne and strawberries. We chatted like we'd known each other for years and I quickly relaxed with her, then after a while she took off her sexy PVC dress to reveal a gorgeous basque and stockings that I'd asked for, then she gave me a quick assisted shower before taking me to the bedroom. Although no longer fully shaven (she's got artistic and shaved her hair into a heart above her pussy) she's shaved in all the important areas, and has a body you just can't help stroking. Sex with Melony was just like the best sex you ever had with your favourite girlfriend, and is very sensuous, and she enjoyed it as much as I did I'm sure. No rush to leave afterwards and we chatted for a while, so much so it was almost two hours before I left. Definetly someone to see again.
