The Story:

My second punt of the day but I was passing and having noticed from field reports and e mails that this lady was getting busy I decided to see what all the fuss was about. Went for the VIP shared jacuzzi with all the trimmings. A very willing and experienced lady, nothing was too much trouble. I believe I should not be too graphic with Amanda, but I can see why Amanda is getting busy and would put her on my returns list. Thank goodness its not only Wimbledon that knows what to do with strawberries.
