The Story:

Paid the dosh, Lana seemed nice and chatty. Went upstairs, said I wanted to undress her...nope! didn't want that....ok. She stripped down to her knicks and me to my b'day suit and a very good massage ensued. I was under some stress so this was quite welcome. After, I turned over for the business, however she leaned over and told me she was 'on', and that she could not offer the whole works, which is why I got the discount! What discount? Apparently its normally ?280. This was not my understanding and she could have mentioned it when we agreed the price of ?180 on our emails, or at least before I parted with the cash, got stripped off and had the massage.....surely. She gave me a cov blowjob and finished off by hand. Was I taken for a chump.....yep!
