The Lady:

As per web site.Slim and elegant with a beautifully toned figure.She says that her figure has remained the same since she was a teenager and this is obviously true, Smartly dressed in a simple black dress

The Story:

Contacted Lara via email and exchanged telephone calls prior to our meeting.She was in fact extremely helpful in suggesting a decent enough hotel at reasonable cost.Hotels seem prejudiced against single occupancy,but I digress.

Lara arrived 5 minutes early(always a good sign).I opened the door and was immediately transfixed.A cliché I know but Lara is even more attractive than her photos suggest.How can 2 hours go so quickly!!Lara gave up a good career to become an escort,because it was something she had wanted to do for some time.She made a good decision ,because she is just perfect.Conversation flowed from the beginning and soon progressed to more sensual matters.Details not required,but suffice to say this was the best fantasy date of all time

Thank you Lara ,you are a gem.Typical!! Why do I live so far from Southampton!
