The Lady:

Both ladies are very much BBW. I would guess Abbie to be at least an H cup with all the right curves and a kissable face to die for. Charlie is at least an E cup and again very horny. Both ladies were dressed in some sexy outfits and made lots of effort to look great. I especially liked Abbie's Make-up and sexy nails.

The Story:

This was my first 2 girl time, and one not to forget. I adore kissing and Abbie has lips you can kiss all day, with such a wonderful tongue (thanks Abbie!) Both girls have a great sense of fun and adventure. We started with a gentle tease and undressing, Abbie got the old percy up with some wonderful oral, so warm and sexy, Charlie worked my back, adding up her own super tits for sucking. I got Abbie into a 69 for some frantic licking, Charlie was now working my balls and arse, super sexy!. We carried on for what seems like ages, I ended by fucking Abbie doggy, we even took some pics!. I was treated to all my desires and i actually came 3 times. Both ladies are super sexy if you like BBW and they treated me very well, worthwhile and shall remember these two for a long time xxx
