The Premises:

Penny's is one of three massage parlours in Selly Oak. I didn't know there were three until Becky told me. It's situated in the main street (A38) which, at this point, joins Longbridge, Northfield, Selly Oak to Birmingham. It's a busy street both vehicle and pedestrian-wise so you need either good timing or balls of steel to brave it out! There's a porch with CCTV, it took about 25 secs for the door to be answered. Given choice of 3 other girls but Becky had answered the door and the others looked totally non-plussed; I have this effect on a lot of women! Room very clean single sturdy but comfortable bed with Jacuzzi bath and shower attachment.

The Lady:

Attractive blonde with long, straight hair 36 C/D breasts with responsive nipples and large aureoles (is that how you spell it?) Becky admitted to wanting to lose a couple of pounds but she's great looking and really doesn't need to. Her box is trimmed and (when I was there she had a 5 o'clock shadow. Clean sweet pussy. Nice arse. 8/10 overall for appearance.

The Story:

We performed mutual massages to start with, choice of talc or oil, we both went for oil. Her's on me was too light-handed for my liking, mine on her was brilliant of course. Hand job and tit wank for starters w/o. Oral and penetration missionary style (my choice-she wanted to sit on me) with. Finished off by hand, spraying the pair of us. She did the honours with the tissues and then showered me down.

She's very chatty, but not overly so. Puts you at ease very well. Totally unhurried. Excellent first visit. Try stopping me repeating the experience.
