The Story:

the first 3/4 of a 2 hour booking, I just layed back on the bed and watched the girls perform the hottest lesbian sex show i have ever seen and if these girls were acting they should be in hollywood the girls both dragged me on the bed and for the next hour i did everything that every man fantasies about, we did oral in all ways possible then as imogen squatted over my face claire gave me the most amazing blow job ever then i watched as they both gave me oral (i have never had 2 girls fighting over my dick with their tongues before, and by the time my 2 hours were up i had cum 4 times and had a jaw ache all night from the smile on my face. these girls are one amazing experience and real girlfriends when not working
