The Premises:

Bedsit in shared house in Hill House Road which smells really damp and musty. Safe enough area with on road parking.

The Lady:

Cathy is a little on the large side with big tattoo on left forearm. Having said that she is a really nice girl who clearly enjoys her work.

The Story:

I have visited Cathy a number of times and more often than not she does a really good job! Whenever I visit her I ask her for a blow job but she also does full sex and watersports. She doesn't do A.

For the sake of fellow punters I would say that you shouldn't be put off by her appearance or her bedsit. She does the most amazing BBBJ in Norwich and you can cum wherever you lik - on her face, on her tits or she will gladly swallow. Not a girlfriend experience by any means but brilliant relief!
