The Story:

started with a lovely back massage where we chatted cheerfully about a previous FR that said she was miserable (she is far from this). tuened over for a rub on the front. we then moved to the bed and she performed a fantastic bj/with lots of sexy eye contact.

then it was my turn, entered her inviting pussy and placed her legs on my shouldersand pumped fpr all i was worth which wasnt alot as id bin for a pub lunch where i had a few pints lol.

we cleaned up and continued chatting even after id got dressed i stayed in the reception and chatted for ages with courtney and reception staff.(dont worry il remember the chocolate next time lol)

all in all a fantastic punt. not the first iv had here but one of the best. thanx courtneyxxxx
