The Premises:

Basement flat near Anerley Station. There is a front and a back entrance. I find the front preferable at the moment because of building work round the back. But remember to listen to instructions and press the correct bell.

Debbie has recently redecorated the business part of the premises in an elegant shade of sunshine yellow.

The Lady:

Today I met Marianne for the first time. She's a startlingly pretty young blonde from Eastern Europe with a very slim body and large breasts.

The Story:

It must be a bit daunting for a young girl new to Debbies as she has to live up to the reputation of the other wonderful ladies in this place. However, Marianne showed me that she's a very quick learner (or else she knew it all beforehand). No details need be given apart from a mention of the shower (assisted) and then back to the bedroom. A wonderful time: thanks Marianne.

I have been visiting Debbies' for a couple of years and this is my first FR. I should like to say that I've never been disappointed here; Debbie's happy personality seems to pervade the place. At least part of the credit must go to the maid, Patricia, who supplies friendly conversation & a drink while you are waiting.
