The Story:

Agency sent me to wrong street to start with so a bit late and pissed off. Friendly girl, bright, she's australian japanese so fluent in english. No kissing, didn't like her breasts played with. Gave a pretty crap covered blow job, lay there when I gave oral, seemed to enjoy it but didn't get close to orgasm. Fucked her hard in missionary and doggy. Had a long chat afterwards.

Not really a success. She's doing it under duress, to earn money, and gives a pleasant time but there's not much real warmth to the show. Pity as she could be good if she did bbbj and relaxed a bit.
