The Lady:

Kimberly is attractive , long dark hair , firm body , great natural tits and friendly. 36-24-34 at a guess.Today was her first day and she only gave birth to a baby 3 months ago.Considering this she has definately done well to get her shape back so quickly.

The Story:

Had a shower and a 5 minute wait in the room for Kimberly to arrive.She was pleasant and enthusiastic and told me to get on the bed . She then performed a massage for a couple of minutes which I find is plenty!She told me to turn over and she started massaging my front and I noticed her eyes go straight for my cock.She seemed eager to have it and I wasnt going to spoil it for her.Straight away she proceded to perform OWO to a very high standard.She asked me to finger her and she was very wet.After 5 mins of her sucking I needed to shag her and she keenly jumped on top.If you like girls who talk dirty Kimberly is definately one for you.She was very explicit in what she wanted.I took her from behind and in mish before asking her to remove the condom and suck me. Again she happily did so .As I was about to cum she removed my cock from her mouth and vigourously wanked me onto her lovely big tits.A great punt.
