Profile Name: Mature Independant Escort In Nottingham

The Lady:

Dianna is 5 feet 8 inches tall. Dark, fairly long hair, a lovely figure, and her most striking characteristics are her sparkling eyes. It is a cliché in these reports to say that the web-site photos do not do justice to the lady, but this is most certainly true of Dianna. The photos cannot show the liveliness of her personality, and the sparkle in her beautiful brown eyes.

The Story:

This was the second time that I had seen Dianna, and I do not intend it to be the last. She arrived at the hotel at the planned time, was dressed elegantly, and I was delighted to find that when the outer layers of clothing were removed, that she was wearing the type of lingerie that I had requested. (We had exchanged several e-mails before we first met, and she had not forgotten my likings when we met again.) She does not drink alcohol ? she says it makes her silly (which I think I would like to see lol) ? but will drink as many cups of tea as she gets the chance for, so don't rely on the minimal amounts of tea-bags and milk provided in the average hotel room.

I do not propose to enter into details of our time together, save to say that her OWO is superb, and the memory of those sparkling eyes looking at me while she was involved with pleasuring me with her mouth, is one that will stay with me. She will provide CIM should it be desired, but declines to swallow, not unreasonably. I should, perhaps add, that she was most receptive to receiving O as well, which I much enjoyed providing.

Dianna is a very friendly lady, who genuinely appeared to enjoy the time that we spent together, which I suppose is a bit obvious, else I wouldn't have seen her the second time.
