The Premises:

very clean large sauna, one of the best I have ever seen. There was a discreet back door with parking available. Very clean with 7 rooms, sauna steam room and large lounge area. Was 8 girls available but i chose lisa for the best entertainment to come!

The Lady:

Lisa was a tall curvy long haired blonde with the best tits ever, very firm. She wore a short black dress with stockings and the most amazing platform shoes.

The Story:

she began with a slow all over body massage. teased inbetween my balls as she massaged me she gradually striped off which i watched in the mirrors. She turned me over stradelled me as i sat up and sucked her firm breasts. She will do OWO if you ask her to. Her favourite position- doggie. Definatly recommend!
