### The Story:

Life is full of surprises, some pleasant and other less pleasant. As one gets older you generally grow to expect the latter! The day I met with Dianna, this was certainly not the case!

After finally contacting Dianna, we arranged to meet in a Hotel near Birmingham Airport. Close to the appointment, I contacted Dianna and asked her to meet me in my room. Finally the knock came and I opened the door to the most pleasant surprise I have ever encountered!. Standing in front of me was Dianna. Her website photo?s do not do her justice; she is THE most attractive woman I have ever met. Dianna has a gorgeous body and face, her eyes are incredible (this seems to be a bit of a clich? on punternet, yet very true) and once you have taken one look into them you will be captivated?be warned!! Imagine my delight that as we got talking, I discovered that she had a fantastic personality to complement her looks.

Following a quick cup of tea (Dianna does not drink alcohol, yet makes up for it with tea!), we moved to the hotel restaurant and enjoyed a pleasant meal with her. Dianna is extremely intelligent and articulate and we discussed a variety of topics over some excellent cuisine.

Following dinner, we moved back to my room for a night of ultimate passion. Dianna is a true lady and I will not disclose the details of the time we spent together. However, I will say that her OWO is the best I have ever experienced, as was everything else we did together. I then spent the remainder of the time cuddling and chatting with her.

Would I recommend her? Will I see her again? A definite YES on both accounts. When you spend time with Dianna you get 150% of her attention and I would say that she is the ultimate ?girlfriend experience?, in fact I would say that she is better than the real thing!

Dianna is one in a million, so please treat her with the respect that she deserves.
